

Where Do I Fly My Flag

With the approach of Memorial Day and the 4th of July, many have asked “what is the proper way to display the American Flag” on our bikes.

When the US Flag is flown alone, it should be at the “center” on the rear of the motorcycle, or its “marching right”. The ‘marching right” is on the right side of the motorcycle to the rider’s perspective when facing forward.

If the US Flag is on your bike with another, it should be to its “marching right”. This means displaying the flag with no other to its right.

If displayed with multiple flags, the US Flag should be centered and highest. The other flags should be arranged in alphabetical order and in decreasing importance. i.e. Nations first, states (in order of admittance) and territories second, military third (in order of establishment) and then any other flag.
